

Lesson 2: Love for people

Listen and read.

Oh, what a beautiful garden! Everybody looks so happy there! I want to be happy too!

Guards, take me to that beautiful garden.

Hello, little girl. May I come in?

Tell me first: What makes you happy?

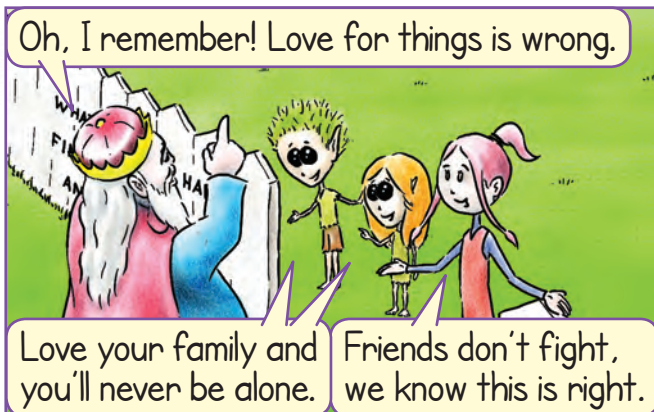

That's very easy. Money can make me happy.

That's not the magic word. No, you can't come in.

Oh, I know. What about gold?

Gold is not the right answer. Money and gold are just things.

Oh, I remember! Love for things is wrong.

Love your family and you'll never be alone.

Friends don't fight, we know this is right.

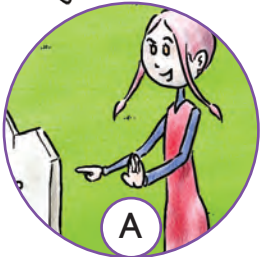

Always smile and remember: Money and gold can bring no magic! Love for people can make you happy! Love is the magic word!

Welcome to the magic garden!
