### Crazy habits!

Work in pairs. Put six **crazy ticks** in your box. Take turns to ask your partner questions and find out where his/her ticks are. The first student to find his/her partner's ticks is **the winner!**

Look at this example:

**Student A:** Do we swim in the sea in December?

**Student B:** Yes, we do! One point for you!

Student A	January	March	May	July	September	December
go on holiday						
eat ice cream						
swim in the sea						
play in the park						
fly a kite						
go skiing						

Student B	January	March	May	July	September	December
go on holiday
