

## Lesson 3 MY WORK CAN MAKE A DIFFERENCE!

### A LEAD-IN ►►

Have you ever visited a forest? What can a person do and what cannot do in a forest? Think and discuss with your partners.

### B SPEAKING & WRITING

You want to send this photo to your friend in Australia who is going to visit Zagorochoria next summer. Tell him what the problems are and what he should do when he is there. Make a list like the one in the Activity F, page 69.

PROBLEMS	ADVICE

For extra WWF guidelines on Zagorochoria, see Appendix p.141. Transfer these guidelines, which are in Greek, into English and fill in the boxes above.

## CROSS CURRICULAR PROJECT

Work in small groups and imagine you are an English-speaking person who has moved to a new area and finds that some things must change. Look at the following issues. Choose one issue and prepare a project. Use the ideas from this unit and write to the Mayor of your town/city.

- Issues:**
1. Place recycle bins in public places
  2. Place battery-disposal bins in public places
  3. Organize a planting expedition
  4. Any other ideas you may think of

Prepare a poster encouraging people to take the situation seriously. Make sure they become aware of the problem and its solutions.

Finally, you can visit any of the websites mentioned in the Appendix and get information about environmental issues, learn about other places that face problems and what's more do the quizzes, fun activities, paint pictures and sing songs. Have fun!

For a fun **Recycling Board Game**, go to Appendix, page 142-143.
